The Cubs & Scouts desperately need your help

The 1st Ivinghoe and Pitstone Scout Group desperately need your help.

They are in serious need of two or three cub pack leaders and three scout pack leaders plus additional people to join the Executive Committee. Without new leaders coming forward, the village is in serious threat of losing both packs.

Between now and the summer term all the existing Scout leaders and two of the four Cub leaders are stepping down. Ideally they would like to recruit now, to enable new leaders to work alongside existing leaders for a period of time ready for a smooth transfer.

Cubs are aged 8 - 10½ and Scouts are aged 10½ - 14

Scouting gives the children opportunities to take part in activities that they would never have in their lives otherwise. To learn new skills that will help them to grow into well balanced adults of the future.

Could you be a part of their lives, Could you be the one to say "I gave them that opportunity in life".

If you would like to find out more or arrange to go along one evening to see for yourselves what they do, Please contact:

Mr Keith Steers (Group Scout Leader/ Beaver Leader) Tel 0789-9696722

Email : ksteers@aol.com

Or Mr Bob Ford (Executive committee Chair) on 01296 662683

Email : bob.ford@daftrucks.com
