Your village,
your voice.

Your pub...?

Your Village Your Voice

You are invited to:

The Launch of **Your** Pitstone Neighbourhood Plan

Saturday 6 and Sunday 7 June at 3pm, Pitstone Memorial Hall

The Plan

- Sets out your vision for Pitstone over the next 18 years
- Addresses all aspects of village life from education and sports and leisure, through to environment and heritage
- Is supportive of a small amount of properly-managed housing development, and seeks to balance this by providing the infrastructure and facilities required to make such development sustainable

Your Voice

The Plan takes into account all feedback received over the last few months via engagement events, correspondence and meetings, and is designed to encompass the expressed views of the community.

Your vision for Pitstone

- Open green spaces
- Places to send your children to nursery or primary school
- Footpaths created to enable them to walk there
- Places for sport and recreation with new modern facilities
- **Housing development** - the village will have increased by approximately 170 houses delivered in:
 - Rushendon Furlong
 - Vicarage Road
 - Pitstone Development Area (adjoining the Memorial Hall)

Your Pub?

One of the initiatives that needs to be actively debated is the idea of a “Village Pub”; it is **essential we have your input!**

- The Community has expressed a strong desire for a Pub and the Plan includes the provision of land for this
- However, in order for this to become a reality the Community will need to get involved - we need to determine if this is a viable proposition and encourage you to let us know your views!

So What Next?

The formal consultation period runs from 1 June to 13 July: view the Plan at www.pitstone.co.uk/PitstoneNDP from 1 June

Come to one of our Launch Parties, listen to our presentation, ask questions and enjoy a chat over a glass of wine with key members of the Steering and Sub-Groups

Consider the Pub - would you be willing to get involved?

All views expressed by the Community during this formal six-week Consultation Period will be given due consideration before the final Plan is submitted to AVDC for a further six-week publicity and consultation period.

This is your chance to influence what the Plan says!
