

Tell us what you think of pharmacy services in Hertfordshire

We want to hear what you think of pharmacy services in Hertfordshire to help us develop services in the future. Your views will help us to develop our Pharmacy Needs Assessment (PNA) which will look at health needs in Hertfordshire, the level and accessibility of pharmacy services and how these will be maintained and developed in the future.

We would be grateful if you would take a few minutes to answer some questions about your own experience and views. **The information in the questionnaire you provide is confidential.** Please be honest with your answers so we can accurately assess areas where pharmacies are already performing well and areas that need improvement. Information returned in the 'A bit about you' section will be recorded separately from your questionnaire response.
