

PITSTONE PAVILION

Hiring Agreement, Effective from 1/6/2025

Pitstone Pavilion is owned and managed by Pitstone Parish Council. All bookings must be completed via our online Hallmaster system. This Hiring Agreement relates to the hire of our indoor space at the Pavilion and/or our football pitches. If you wish to hire our off-pitch outdoor space at the Pavilion, or our outdoor space at other locations, please refer to our Events and Open Space Policy which includes an application form.

Agreed as follows:

1. Definitions and notes

Throughout this Agreement:

- The Pavilion named in clause 2.2 is referred to as 'we'; 'our' is to be construed accordingly and 'we' and 'us' mean the Parish Council corporate body, members, employees, volunteers, agents and invitees.
- The person or organisation named in clause 2.3 is referred to as 'you'; and 'your' is to be construed accordingly; 'you' also includes the members of your management committee (if appropriate), your employees, volunteers, agents and invitees.

2. Conditions of hire

In consideration of the hire fee described in clause 2.4, we agree to permit you to use the premises described in clause 2.2 for the purpose described in clause 2.12 for the period(s) described in clause 2.1. The details inserted in sub-clauses 2.1 to 2.9 below and the answers to the questions in sub-clauses 2.10 to 2.17 are terms of this Agreement. This Agreement includes the annexed Standard Conditions of Hire and the Special Conditions of Hire set out in the attached Schedule.

2.1. Date(s) and Time(s) required

2.5. Deposit(s)

- Standard Deposit

You must pay as a standard deposit of one third of the cost of the booking at the time you make your booking and enter this agreement. This deposit compensates the Parish Council for loss of revenue in the event of the hirer cancelling at short notice.

- **Special Deposit**

This is an additional deposit fee. The Parish Council considers the risk of hirers causing damage to the pavilion, creating noise or other disturbance, or not cleaning our premises prior to departure, and we set deposit values accordingly. We apply more caution to unknown hirers or particular types of events, such as adult parties booked by individuals and/or those involving alcohol.

Fees: £50 to £200, to be confirmed at time of enquiry.

Where we request a special deposit, it must be paid in full and cleared into our account, at least 24 hours before your event. If all is well with your hire, your deposit will be returned after the event. Otherwise the council reserves the right to deduct any costs arising from your hire from your deposit.

2.6. Payment

You will receive an invoice from Pitstone Parish Council once your booking has been accepted, which will specify the deposit(s) and balance values and the dates that each must be paid.

You must pay the balance of the booking fee, 24 hours before the event for which you hired our premises otherwise you will not receive access instructions.

We prefer that you pay by bacs, so that funds are cleared quickly. Our bank account details are specified on your invoice. If you are unable to pay by bacs, please contact the Parish Clerk and be aware that you will need to build in extra time to allow for cheques to be posted to our bank provider and cleared.

2.7. Regular Hirers

If your organisation or community group makes repeat bookings at the Pavilion, and you have proven to be a responsible hirer, the parish council may waive the need for you to pay a deposit. All bookings must still be made via Hallmaster. Commercial hirers intending to make regular bookings eg more than twice per month, should contact the council to discuss their requirements.

2.8. Pitstone & Ivinghoe Junior Football Club

Due to the changeable nature of the junior football club bookings, the Parish Council has agreed a special dispensation to invoice the club monthly in arrears. This does not negate the need for all bookings to still be reserved via the Hallmaster system in advance of the booking. No access details will be provided unless an advance booking is approved via Hallmaster.

2.9. Pitstone & Ivinghoe United Football Club

Please refer to your Occupational Licence for specific payment requirements. All bookings still be reserved via the Hallmaster system in advance of the booking. No access details will be provided unless an advance booking is approved via Hallmaster.

2.10. Hallmaster

You must specify on our Hallmaster system booking form, which parts of our premises you wish to hire. Your booking will only cover those areas that you have specified. For example, if you book our Platinum room and kitchen, this will not provide you with access to the changing village. If you book the changing village or a pitch, you will not have access to the Platinum room & kitchen unless this is booked separately.

Other hirers may be on site at the same time as your booking eg there may be an exercise class in the Platinum room, staff working in the office and football training taking place on the pitch.

Please refer to our Standard Condition of Hire 3 for further details.

2.11. Storage

If you wish the Parish Council to consider an application for you to store equipment or items at the Pavilion, please complete the application form at Appendix 3.

Fees will be applicable. The cost of these fees will be determined, based upon the individual requirements of the hirer and the volume/location of storage space required. Both council and hirer will be required to confirm agreement to such fees, within the storage agreement issued, see Appendix 4.

If your application is accepted, the Parish Council will issue you with a letter of authorisation, specifying what equipment has been granted approval and where it must be stored. See Sample Letter at Appendix 4.

No authority will be granted for the storage of alcohol at our premises.

No authority will be granted for the storage of perishable goods, flammable substances (such as BBQ fuels), dangerous or illegal goods at our premises.

The Parish Council will consider applications to store items relating to the hire of our football pitches, from regular clubs. All such items (including balls, nets, training aids, portable goals, water bottles, corner flags etc), where users are likely to access these goods with muddy footwear, must be stored in the container. Permission will not be granted for these to be stored elsewhere.

The Parish Council will consider applications to store items relating to the hire of our indoor space/Platinum room, from regular hirers. This may include limited space within our kitchen or provision within our shared outdoor hirers store. This shared outdoor store must not be utilised for storage of items relating to pitch hire (see above) and must be retained as a clean operating space.

All property, equipment and belongings not specified within such an agreement must be removed from the Pavilion at the end of your hire period. Unauthorised property left at the pavilion will be disposed of and/or may incur a loss of deposit or additional fee.

No items stored at our premises can be insured by the Parish Council. Users must insure their own property whilst it is on our site.

By being aware of the items stored in our various stores, the parish council can comply with the necessary fire and environmental health regulations.

2.12. Purpose/Description of hiring

When you place your booking via our Hallmaster system, you must specify the purpose of your hire. Please refer to Standard Condition of Hire 3.

2.13. Tickets

Please confirm if tickets will be sold for your event. This helps to determine if events are private or public. An event will be classified as public where tickets have been sold, even if the guest list is restricted ie for a birthday party.

2.14. Food

Please confirm if food is to be provided or prepared at your event. Please be aware that you are responsible for complying with all associated legislation throughout your hire period. If you are supplying food for purchase, you should be registered with Environmental Health as a Food Business. Hirers who regularly supply catering should ensure those responsible for preparing or serving food hold a Basic Food Hygiene Certificate, as a minimum. Refer to our Standard Conditions for further details.

2.15. Alcohol

Please confirm if alcohol is to be provided or sold at your event. No alcohol (except bottled raffle prizes for fetes, bazaars etc) may be bought, sold or consumed on any part of the premises without the written permission of the Parish Council.

No alcohol must be left unattended on site.

Please refer to Appendix 2 and 3 if you wish to complete an application in connection with the sale of alcohol.

Please also see Clause 5 of this Agreement.

2.16. Film

Please confirm if you will be showing a film as this is subject to separate legislation.

Please refer to Standard Conditions 7 and 8

2.17. Music

Please confirm if music will be performed or recorded music played at your event as this is subject to separate legislation.

Please refer to Standard Conditions 7 and 8.

3. Maximum Capacity

For your safety, as there is only one door into the Platinum room complex (NB this includes the Platinum room, kitchen and office), you agree not to exceed the maximum permitted number of **60 people in total**, to comply with Fire Regulations. Please remember to take into account any other users on site at the time eg office staff.

The Platinum room measures approximately 11m x 7m and can accommodate a maximum of 5 tables of up to 8 people per table = maximum capacity of 40 seated at tables.

The parish council provides a choice of either 9 x 6ft rectangular or 4 x 60" round tables, each seating up to 8 people, plus 40 matching folding chairs.

With conference style seating and no tables, the room can accommodate a maximum of 50 seated with no tables. Sufficient volume of chairs is available.

4. Music Copyright Licensing

Under the Copyright, Designs and Patents Act 1988, a licence is required if music is played and performed in public. There are two music licensing bodies:

- PPL UK licenses the playing of sound recordings with the royalties going to the artists, performers and recording companies.
- PRS for Music licenses the public performance of musical compositions with royalties going to the songwriters, composers and music publishers.

The Pavilion PPL PRS Ltd music licence for background music played at the pavilion eg via the television. Our licence does not cover commercial hirers or specific events such as music quizzes, film, or live music/DJ/karaoke events.

Commercial hirers must hold their own PPL licence if they use PPL controlled music and PRS licence. If you are making a commercial booking and intend to play music you are required to provide a copy of your licence to Pitstone Parish Council, if we so request.

It is up to individual hirers, including individuals and charitable groups, to ensure you have all the necessary licences and permits for your activities.

No copyright music licence is required if your only use is:

- At a private function or party if these are of a purely domestic or family nature such as wedding receptions, christening parties or domestic birthday parties when:
 - Attendance of guests is by personal invitation only (with the exception of staff or performers)
 - The function is held in a privately booked room, not at that time open to the general public
 - There is no form of charge made for admission
 - There is no financial gain to the function's organiser or host (ie the person hiring the venue)
- For sacred worship
- For wedding/civil partnership ceremonies, civil ceremonies or religious ceremonies
- For medical music therapy

5. Alcohol and Entertainment

As the owner of the premises, we are required to hold a licence for the sale of alcohol. Utilising the Legislative Reform (Supervision of Alcohol Sales in Church and Village Halls) Order 2009, we have appointed the Parish Council as the responsible body instead of an individual Designated Premises Manager, as there is no paid manager with day-to-day responsibility for running these premises.

- We have a Premises Licence authorising entertainment and the sale of alcohol on site. You hereby acknowledge receipt of a copy of the conditions of the Premises Licence and Premises Licence Summary in accordance with which the hiring must be undertaken and you agree to apply with all the conditions therein.
- If we believe that a Temporary Event Notice (TEN) would be in our best interests for this hiring, we can require you to give notice of a TEN. This requirement will apply to any

event lasting past 11pm, or otherwise outside the terms of our premises licence, and may be applied to other bookings, at the discretion of the Parish Council. As with the Special Deposit, the Parish Council will base their decision having considered the risks associated with the hire. The Parish Council may apply more caution to unknown hirers or for particular types of event.

- We take your safety and our alcohol responsibilities very seriously. The Parish Council does not have to be on the premises when alcohol is sold, however we have resolved that the council requires all bookings where alcohol will be sold (whether via our Premises Licence or TEN), to have a qualified Personal Licence holder on site throughout your hire period. This is to provide the Parish Council with the necessary reassurance that alcohol sales will be carried out in accordance with all the associated legislation and requirements. You will be required to provide details of such Personal Licence holder before the council will grant permission for the sale of alcohol.
- The Parish Council will only accept bookings involving the sale of alcohol, where such a sale is ancillary to the main hire of our premises eg to provide refreshments after a football match or at a community event. We will not accept room hire bookings where the main intention would be to offer alcohol for sale, that may be interpreted as a pop-up/informal bar.
- No social club, nor bar facilities, exist at the Pavilion.
- Any hirer wishing to sell or provide alcohol at an event, must bring that alcohol to the Pavilion at the start of their hire period and **must** remove all alcohol from our premises at the end of each hire period. No authorisation will be granted for the storage of any alcohol on any part of our premises outside your hire period and storage of alcohol is not permitted within our Premise Licence.
- The hirer must ensure that all alcohol is properly stored & secured throughout their hire period and ensure that only the Personal Licence Holder, or those supervised by that person, have access to any alcohol.
- If your booking requires a TEN, it is the responsibility of the hirer to apply for and obtain this licence. Applications must be submitted to the Licensing Authority (not the Parish Council) at least 10 days before the event in order for the licensable activity to take place. Further information can be found at www.buckinghamshire.gov.uk. Hirers must provide a copy of their TEN to the Parish Council at least 24 hours before their booking, or your reservation will be cancelled and your standard deposit will not be refunded.
- If your booking required a TEN, you must display a copy of the TEN prominently on the noticeboard inside the Pavilion during the event. The police and local authority have rights of entry to the premises to assess the likely effect of the TEN on crime prevention.
- You must notify the Parish Council if you intend to apply to the Licensing Authority for a Temporary Event Notice (TEN) relating to our premises. There is a limit of 15 TENs granted by the Licensing Authority for any premises in any one calendar year and therefore the Parish Council must monitor the volume of applications made for our site. Please complete & return the application consent form found at Appendix 1.
- If the Parish Council is satisfied with your compliance to our requirements relating to alcohol, you will be supplied with a letter authorising the sale of alcohol in accordance with the Licensing Act 2003. No alcohol must be sold unless you have received this letter of authority from the Parish Council. Please refer to Appendix 2 for sample letter, which is not valid unless signed by the Parish Council.
- In particular, we draw your attention to the following mandatory licensing conditions within the Licensing Act:
 - A ban on irresponsible promotions
 - A ban on dispensing alcohol directly into customers' mouths
 - A mandatory provision of free tap water

- An age verification policy (showing photograph, date of birth and holographic mark eg photo car driving license, passports or proof of age cards bearing the PASS hologram).
- A requirement for drinks to be available in smaller measures (including half pints of beer or cider, 25/35ml of spirits and 125ml glass of wine).

○ Provision of alcohol free of charge

There is nothing in licensing law to prohibit a community organisation or hirer, providing alcohol free of charge at an event to people over the age of 18-years, as long as the alcohol is given away free and its value is clearly not included in any ticket price or entrance fee.

You are still required to notify the Parish Council when you request your booking, if you intend to provide alcohol free of charge.

○ Alcohol in raffles and as prizes

The provision of bottles of alcohol as prizes in raffles and tombolas is exempt from the need for a licence provided:

- The lottery is promoted as an incident of an exempt entertainment defined as a bazaar, sale of work, fete, dinner, dance, sporting or athletic event.
- After deduction of expenses the whole proceeds of the entertainment are applied for the purposes other than private gain, and
- The following conditions apply:
 - The alcohol is in a sealed container
 - No prize is a money prize
 - Tickets are only issued when the entertainment takes place
 - The lottery is not the main inducement to attend

Note that these conditions prevent alcohol prizes being given at raffles for which tickets are sold in advance or where money prizes are given, unless the event at which the draw will take place is licensed for alcohol sales either by our Premises Licence or you obtain a TEN.

It is the responsibility of the hirer to ensure that your lottery or raffle complies with all the associated legal requirements.

- You may find that Pitstone Memorial Hall, which has a full licensed bar, may be more suited to your needs. This is run by a separate charity. You can find details of Pitstone Memorial Hall here: <https://www.pitstonememorialhall.co.uk/>

6. General Terms

- As the hirer, you agree with us to be present (or your authorised representative, if appropriate and agreed with the Parish Council) during the hiring and to comply fully with this Agreement.
- We and you hereby agree that both the Standard Conditions of Hire and all the Special Conditions of Hire, together with any additional conditions imposed under the Premises Licence, or that we deem necessary, form part of the terms of this Agreement unless we and you agree in writing.

- None of the provisions of this Agreement are intended to or will operate to confer any benefit pursuant to the Contracts (Rights of Third Parties) Act 1999 on a person who is not named as a party to this Agreement.
- We reserve the right not to accept your booking request if the Parish Council believes that it would not be in the Pavilion's best interests. Circumstances may include an undesirable purpose of hire eg an extreme political group, or issues arising with previous bookings. If we decline your booking, there is no requirement on the Parish Council to provide any reason.
- Your reservation is not accepted and valid until you receive a confirmation email from the Parish Council.

When submitting your Hallmaster online reservation, you must tick the box to indicate that you agree to abide by this Hiring Agreement and associated Standard & Special Conditions and all ancillary and associated policies. Such agreement acts as your signature to this Agreement. Where appropriate, you must be duly authorised by your organisation to make this booking and accept these terms on their behalf.

This Hire Agreement was considered by Pitstone Parish Council Sports and Leisure Committee Meeting on

___13/3/25___ Min Ref ___SL110/24___ where it was duly

authorised to adopt this Agreement and the associated conditions.

R Saintey

Signed, Chair of the Meeting

This Agreement and Conditions will be reviewed regularly, and at least annually.

Standard Terms and Conditions of Hire

If you are in any doubt as to the meaning of any of the Conditions, you must seek clarification from us without delay.

1. Age

You, not being a person under 18-years of age, hereby accept responsibility for being in charge of and on the premises at all times when the public are present and for ensuring that all Standard & Special Conditions under this Agreement relating to management and supervision of the premises are met.

NB: We can't enter into a legal agreement with an individual below the age of 18-years. If this applies to you, a parent/guardian over 18-years of age must enter into this agreement on your behalf and thereby accept the associated responsibilities.

2. Supervision and Damage

During the period of the hiring, you are responsible for:

- Supervision of the premises, the fabric and the contents;
- Care of the premises, safety from damage however slight or change of any sort; and
- The behaviour of all persons using the premises whatever their capacity, including proper supervision of car parking arrangements so as to avoid obstruction of the highway.

As directed by us, you must pay for all damage (including accidental damage) to the pitches, premises or to the fixtures, fittings or contents and for loss of contents. If you have paid a Special Deposit, your Special Deposit will be retained by the Parish Council to pay for these works. If the value of damage exceeds your Special Deposit, or you were not initially charged a Special Deposit, these costs will be invoiced by the Parish Council to the Hirer.

3. Use of Premises

You must not use the premises (including the car park) for any purpose other than that described in the Agreement and must not sub-hire or use the premises or allow the premises to be used for any unlawful or unsuitable purpose or in any unlawful way nor do anything or bring on to the premises anything which might endanger the premises or render invalid any insurance policies covering the premises nor allow the consumption of alcohol without our written permission.

The pavilion is a community facility and the Parish Council must ensure that users of the Pavilion do not do or allow anything to take place which might bring the premises nor the council into disrepute, damage our reputation or annoy or offend local people. So, for example, a photography class or exhibition of photographs or material which might offend public sensibilities will not be allowed and if such activity is not disclosed to the Parish Council the hiring will be cancelled.

See Standard Condition 22.

4. Insurance and Indemnity

- You are liable for:
 - a. The costs arising from any damage (including accidental and malicious damage or that caused through your negligence) done to any part of the premises including its curtilage or its contents, during your hire period. If you have invited other parties onto the site during your hire period, for example, an away football team, the responsibility still lies with you as the hirer. Therefore, the parish council will invoice the hirer and it will be up to your discretion whether you seek to re-claim these costs from the third-party. The Parish Council is not responsible for seeking costs direct from third parties.
 - b. The costs arising from any damage (including accidental and malicious damage or that caused through your negligence) done to our WiFi, CCTV, alarm, access control or fire monitoring systems during your hire period, and
 - c. All claims, losses, damages and costs made against or incurred by us, our employees, volunteers, agents or invitees in respect of damage or loss of property or injury to persons arising as a result of your use of the premises (including the storage of equipment) and your use of our IT services, and
 - d. All claims, losses, damages and costs made against or incurred by us as a result of any nuisance caused to a third party as a result of your use of the premises and/or the use of our IT services, and
- subject to sub-clause 4.2, you must indemnify us against such liabilities.
- All regular and/or commercial third parties must have their own public liability insurance, preferably with a limit of indemnity of £10 million or at the very minimum sufficient to cover the rebuild of the building.
- A copy of this insurance must be provided to the Parish Council
- As Hirer you should be aware that if you do not secure the building and any damage occurs, our insurer may decide to seek contribution from your insurer. If you do not have any insurance in place, you may be personally liable for the damage.
- We will take out adequate insurance to insure the liabilities described in sub-clauses 4.1 a and b above and may, in our discretion and in the case of non-commercial hirers, insure the liabilities described in sub-clauses 4.1 c and d above. We will claim on our insurance for any liability you incur but you must indemnify us against:
 - Any insurance excess incurred and
 - The difference between the amount of liability and the monies we receive under the insurance policy.
- Where we do not insure the liabilities described in sub-clauses 4.1c and d above, you must take out adequate insurance to insure such liability and on demand must produce the policy and current receipt or other evidence of cover to the Parish Clerk. If you fail to produce such policy and evidence of cover, we will cancel this Agreement and re-hire the premises to another hirer.
- All constituted groups/clubs hiring our premises must possess suitable Public Liability Insurance, a copy of which must be provided to the Parish Council at our request.
- No items stored at our premises can be insured by the Parish Council. Users must arrange their own insurance for any items that we agree you can store.

We are insured against any claims arising out of our own negligence.

5. Gaming, betting and lotteries

You must ensure that nothing is done on or in relation to the premises in contravention of the law relating to gaming, betting and lotteries. As hirer, you must ensure that the requirements of the relevant legislation are strictly observed. Note that this legislation also covers raffles.

6. Music Copyright Licensing

You must hold relevant licences under Performing Right Society (PRS) and the Phonographic Performance Licence (PPL) for any copyright music you intend to utilise during your hire period. For avoidance of doubt, the Pavilion does not currently hold either licence, as we have not previously had any music playing on site. When requested, you must provide copies of your licence to the Parish Council if requested.

7. Music

You must have our written permission for performance of live music and the playing of recorded music under the Deregulation Act 2015. This Agreement confers that permission.

8. Film

- You must restrict children from viewing age-restricted films classified according to the recommendations of the British Board of Film Classification.
- You must ensure that you have the appropriate copyright licences for film.
- You must ensure that you have the appropriate PRS licence. Record companies wrap their PPL rights in with the film screening licence, but the PRS royalties are not included.
- The film must be shown between 08.00 and 23.00 hrs, and your audience must not exceed the limit for our Platinum room.
- The film must not be provided with a 'view to profit'.
- You must have our written permission for showing of film under the Deregulation Act 2015. This Agreement confers that permission.

9. Safeguarding children, young people and vulnerable adults

You must ensure that any activities for children, young people and adults at risk are only provided by fit and proper persons in accordance with the Children Act 1989 & 2004, the Safeguarding Vulnerable Groups Act 2006 and any subsequent legislation. When requested, you must provide us with a copy of your Safeguarding Policy and evidence that you have carried out relevant checks through the Disclosure and Barring Service (DBS). All reasonable steps must be taken to prevent harm, and to respond appropriately when harm does occur. Relevant concerns must be reported.

10. Public Safety Compliance

Along with this Hire Agreement and Conditions, you have also been supplied with a copy of our Fire Risk Policy & Risk Assessment, Emergency & Evacuation Procedures and Health & Safety Policy & Risk Assessment.

Under the Fire Regulatory Reform (Fire Safety) Order 2005 (as amended) and the Fire Safety (England) Regulations 2022, the Hirer(s) will be identified as a Responsible Person to the extent that they have control during the period of hire.

As such you have a Duty of Care for all persons assisting and all guests on site during your hire period. You must complete a Fire Risk Assessment covering your particular use, including any

Personal Emergency Evacuation Plans (PEEPs), if any of your guests may have difficulty responding to a fire alarm or escaping from a building unaided, in the event of an emergency.

- All hirers must practice fire evacuation. The frequency will depend on the effectiveness of each drill and recorded actions made to address any issues which arise, will be at least once per annum, and with any new intake of attendees/participants. You have been provided with the Pitstone Pavilion Fire Evacuation Observer Checklist you can use for this.

You must familiarise yourself with the fire safety information, the emergency & evacuation plan, the position of extinguishers & fire exits plus the location of the first aid facilities and Fire Assembly Points. You are responsible for ensuring all your guests are fully briefed. Failure to comply could lead to prosecution.

Our noticeboard in the pavilion displays another copy of our emergency procedures, assembly points, fire & first aid equipment locations, along with a copy of this Agreement and Conditions, and a copy of our Premises Licence.

You must comply with all conditions and regulations made in respect of the premises by the Local Authority, the Licensing Authority, and our fire risk assessment or otherwise, particularly in connection with any event which constitutes regulated entertainment, at which alcohol is sold or provided, or which is attended by children. You must also comply with our health and safety policy.

Users of the building must ensure that the rear exit is unlocked and roller shutter lifted prior to using the building, as this forms one of your emergency exits.

Please note that there is no public telephone at the Pavilion. You should therefore you have a fully charged mobile phone with you at all times so that you can summon emergency assistance if required.

Press the + button repeatedly to add heating duration in 10-minute increments. Press the – button if you then depart early and can switch the heating off earlier than you anticipated.
 - The changing village is controlled via underfloor heating. Hirers will not need to adjust this as it will be set to reflect your booking period.

Special Conditions of Hire relating to our Football Pitches and Changing Village

If you are in any doubt as to the meaning of any of these Special Conditions, you must seek clarification from us without delay.

1. Pitch composition and care

- Our football pitches at the pavilion site have underground drainage and special sports mix ground composition. This provides a superior playing surface and ensures good drainage. However, it does require a significant amount of maintenance and means it is prone to grass erosion.
- The football pitch at the recreation ground has no underground drainage system.
- Real grass pitches can only tolerate a set amount of gameplay per season and the Parish Council must therefore ensure that the grounds are protected from over-use so that the regular club hirers can fulfil the requirements of their respective leagues.
- The Parish Council maintains our pitches to the Football Association 'Good' standard.
- Goal areas and centre circles attract the most wear-and-tear. No training is permitted in any of these areas, at either site. Please ensure portable goals are relocated to a less vulnerable location prior to practicing any goalkeeping/striking.
- The Parish Council does not provide footballs.
- The Council reserves the right to call off matches at any time but will endeavour to give reasonable notice if possible.
- The Hirer should not use our pitches if it is waterlogged or covered in snow/frost/ice – in these circumstances a full refund will be provided.

2. Senior football pitch capacity

- The Parish Council will only accept bookings for a maximum of four teams per season on the senior football pitch at the pavilion.
- The Parish Council will only accept bookings for a maximum of two matches per day on the senior football pitch at the pavilion.
- No training can take place on the senior football pitch at the pavilion and should be limited on the pitch at the recreation ground. Please make use of off pitch areas for training.

3. General hire of our indoor space does not include use of our pitches

- For the avoidance of doubt, hire of our indoor space eg the Platinum room, does not include use of the football pitches.
- If you wish to utilise off-pitch outdoor space at the pavilion during your hire period, you must notify the Parish Clerk at the time of your booking. Additional charges may apply.
- If you wish to utilise our football pitches (for example a football related children's birthday party), you must make this clear at the time of your booking, so that we can monitor overall pitch use. Additional charges will apply.

4. First aid and fire safety

- All regular hiring football clubs are required to have a qualified first aider on site throughout each hire period. By making this booking, you are confirming that your first aider will be on site.

- All regular hiring football clubs are required to practice fire evacuation at the commencement of each season when the composition of club players is most likely to change, and at regular points throughout the season. By making this booking, you are confirming that this is taking place.
- All hirers are required to familiarise themselves with the location and operation of fire-fighting equipment (see main Terms and Conditions).
- It is the responsibility of the hiring club to ensure that all guests and visiting clubs are fully briefed in emergency and evacuation procedures.

5. Insurance

All football clubs are required to arrange Public Liability Insurance cover for their team (minimum level £5 million). Proof of this cover must be provided at the start of each season. The Council has the right to terminate this agreement if insurance cover is not obtained.

6. Floodlights

Please note that our planning conditions dictate that the pitch floodlights at the pavilion may only be utilised between the following hours:

- Monday, Wednesday, Thursday and Friday – 4pm to 9.45pm.
- Tuesday – 4pm to 10.30pm.
- Saturday – 2pm to 6pm.
- Sunday – no permitted use.

No bookings can be accepted outside of these hours.

7. Goals and Dug Outs

- All goals being utilised during your hire period, whether socketed or portable, regardless of site, must be fully checked prior to every use to ensure safety. Moving and relocating the goals causes damage over time, so it is important to check the goals prior to every use. Any remedial works required must be reported to the parish council immediately via parishclerk@pitstone.co.uk so that the necessary corrective measures can be initiated.
- Portable goals must be stored at the appropriate end of the pitch and padlocked together to prevent unauthorised use. This reduces the distance that the goals need to be moved and helps to reduce damage.
- Any dug outs being utilised during your hire period at the pavilion must be fully checked prior to every use to ensure safety. Any remedial works required must be reported to the parish council immediately via parishclerk@pitstone.co.uk so that the necessary corrective measures can be initiated.

8. Boot scrape and outside tap

It is the hirers responsibility to ensure that both home and away teams utilise the boot scrape area and outside tap for the cleaning of football boots. Boots must not be cleaned inside the changing village as the clumps of mud will block the gully and drain.

9. End of hire period

In addition to the Standard Conditions relating to cleaning and departing the Pavilion, hirers of our football pitches are also required to:

- Check the pitch and surrounding area for any items discarded by players or spectators eg sock tape, cans, bottles, paper plates and dispose of refuse and recycling in the wheelie

bins in the front car park. Items left on the pitch pose a hazard to subsequent users and damage our ground-keeping equipment.

- Remember to empty any external bins/bags and dispose of rubbish and recycling in the wheelie bins in the front car park.

Special Conditions of Hire arising as a result of Covid-19

During periods where this is applicable, please see separate document.
