

PITSTONE PARISH COUNCIL

Youth Café DBS & Data Handling Policy

1. General principles

As an organisation using the Disclosure and Barring Service service to help assess the suitability of applicants for positions of trust, Pitstone Youth Café complies fully with the DBS Code of Practice regarding the correct handling, use, storage, retention and disposal of Disclosures and Disclosure information. It also complies fully with its obligations under the General Data Protection Regulations and other relevant legislation pertaining to the safe handling, use, storage, retention and disposal of Disclosure information and has a written policy on these matters, which is available to those who wish to see it on request.

2. Storage and access

Disclosure information should be kept securely, in lockable, non-portable, storage containers with access strictly controlled and limited to those who are entitled to see it as part of their duties.

3. Handling

In accordance with section 124 of the Police Act 1997, Disclosure information is only passed to those who are authorised to receive it in the course of their duties. We maintain a record of all those to whom Disclosures or Disclosure information has been revealed and it is a criminal offence to pass this information to anyone who is not entitled to receive it.

4. Usage

Disclosure information is only used for the specific purpose for which it was requested and for which the applicant's full consent has been given.

5. Retention

Once a recruitment (or other relevant) decision has been made, we do not keep Disclosure information for any longer than is necessary. This is generally for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints. If, in very exceptional circumstances, it is considered necessary to keep Disclosure information for longer than six months, we will consult the CRB about this and will give full consideration to the data protection and human rights of the individual before doing so. Throughout this time, the usual conditions regarding the safe storage and strictly controlled access will prevail.

6. Disposal

Once the retention period has elapsed, we will ensure that any Disclosure information is immediately destroyed by secure means, i.e. by shredding, pulping or burning. While awaiting destruction, Disclosure information will not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack). We will not keep any photocopy or other image of the Disclosure or any copy or representation of the contents of a disclosure. However, notwithstanding the above, we may keep a record of the date of issue of a Disclosure, the name of the subject, the type of Disclosure requested, the position for which the Disclosure was requested, the unique reference number of the Disclosure and the details of the recruitment decision taken.

7. Umbrella body

An umbrella body is one which countersigns applications and receives Disclosure information on behalf of other employers or recruiting organisations. Our DBS checks are organised and managed by Action 4 Youth. We will take all reasonable steps to satisfy ourselves that they will handle, use, store, retain and dispose of Disclosure information in full compliance with the CRB Code and in full accordance with this policy.

This policy was adopted by Pitstone Parish Council on31/8/23.....

minute reference137/23..... and will be reviewed on at least an annual basis (Action4Youth will inform all clubs of changes to existing legislation).
