**YOUTH VOICE IS HERE!**

**26<sup>th</sup> February 2015**

**5pm to 7pm**

# **DON'T MISS OUT ON YOUR CHANCE TO CHANGE THE WORLD!**

**Youth Voice** is a forum that provides an opportunity for young people to have their voices heard on issues that are important to them.

Become directly involved in decision making with those in positions of power, whether it be local shops, services, schools and your community.

## **Benefits for young people - What's in it for me?**

As well as a chance to affect things that matter to you there is the opportunity to join other projects that can offer you nationally recognised accredited training and rewards such as vouchers.

Services are often keen to offer incentives in order to gain valuable input from young people.

For young people aged 12 to 18 (and up to 25 if you have a disability.)  
We can't wait to meet you
