## MUSIC ON THE GREEN

Come and join the Beacon Community Choir and friends in a mini-music festival on Pitstone Green. Bring your picnic baskets, gazebos and friends, and relax while the choir and featured local artists entertain you. With something for everyone, this is the best way to while away a sunny afternoon with family and friends.

Cream teas will be provided by the WI and a licensed bar will be available all afternoon.

So whether you are into jazz, pop or anything in-between, open a bottle of fizz, tuck into a cream teas and chill in the summer sunshine . . .

Beacon Community Choir, directed by Judith Sheridan, was founded in 2008 to give local people the opportunity to sing a cross section of music from pop and jazz to African songs and classical repertoire. It is open to members of all ages and abilities, there are no auditions and no need to be able to read music. The only pre-requisites are a love of music and a sense of fun! The choir performs regularly throughout the year including Music on the Green, and at local National Trust properties such as Claydon House and Ascott House.
