

INITIATIVE	IS THIS FEASIBLE?	IF NOT, WHY NOT / WHAT REG PROHIBITS?	CAN THIS BE INCORPORATED IN ADOPTIONS PROCESS?	IS THIS SOMETHING COMMUNITY BOARD COULD CONSIDER?
Install streetlights part way	Yes	n/a	yes	not required
Install streetlights out to the gate	No	Current guidance	n/a	n/a
Change signage on entry gate to be more prominent and ask for vehicles to drive slowly	Already in place	n/a	n/a	n/a
30mph paint markings in road at both ends of Westfield Road (know that we can't repeat these along the length of the road)	This will be requested of the developer as part of the adoption process	n/a	Subject to discussion	n/a
Install countdown markers on approach to gates	This will be requested of the developer as part of the adoption process	n/a	Subject to discussion	n/a
Install rumble strips on approach to gates	Not advisable due to noise generated and the effect on dwellings closest to the site			
Install rumble strips / paint markings / other on road surfacing along length of residential area to remind vehicles	See previous comment			
Install traffic calming prior to gates to slow speed before entering the village	Not possible as part of the adoption process			Yes

Install traffic calming along the residential stretch of Westfield Road	Not possible as part of the adoption process			Yes
Install pedestrian/zebra crossings near bus stops on Westfield Road to increase pedestrian safety and help slow vehicles	Not possible as part of the adoption process			Yes
Note that a Co-op is currently proposed (via planning) for the bottom of Westfield Road and we also believe that a pedestrian crossing would be required here as it is close to the junction with Marsworth Road and all pedestrians or cyclists will need to cross Westfield Road to reach it.	Not possible as part of the adoption process for the Castlemead estate			Yes and possibly on the back of future development
Improve lighting near bus stops	Not possible as part of the adoption process			Possibly
Install bus shelters (TW would not previously grant permission prior to handover to BC)	Not possible as part of the adoption process			Yes
Install average speed camera system for the residential stretch of Westfield Road	Not possible as part of the adoption process			Not known
Reduce the speed of the roundabout to gate section from 60mhp to 40mph as only half a mile before roundabout	Not possible as part of the adoption process			Possibly
