Check our website for future dates

Are you part of a charity or community group and would like a chance to meet and work with others in the local area?

The Local Voluntary Sector Network – northern Bucks provides an informal space for not-for-profit organisations to share ideas and resources, and collaborate on the local issues that matter most.

Meeting several times a year, the Local Voluntary Sector Network – northern Bucks is free to join and open to all those involved in the voluntary sector in the Community Board areas of Buckingham & Villages, Winslow & Villages, Wing & Ivinghoe, Haddenham & Waddesdon, Aylesbury.

**Local charity Community Impact Bucks is facilitating these forums**
