History

As part of the 1856 Enclosure Award, the land that the recreation ground sits upon was vested in Wibraham Egerton & James, Earl of Powis as recreation ground. The area in question relates to the grassed surface you can see at present and doesn't include the Memorial Hall land/car park or the land at the far end which houses the cricket nets and play equipment. In 1922, the Charity Commission vested the land in the Parish Council and in 1973 it was officially registered as a Village Green in the "Registrar of Common Land or Village Greens". The Recreation Ground was officially registered with Land Registry in 2010.

In the 1970's the Charity Commission granted permission for the Recreation Ground Charity to manage an additional neighbouring strip of land belonging to the Pitstone Allotments for the Labouring Poor under licence. This additional land enabled the recreation and leisure facilities to be extended, including the provision of children's play equipment. Pitstone Parish Charity did not charge rental to the Recreation Ground Charity but did receive the benefit-in-kind of all expenditure related to the land being borne by another body.

In April 2013 Pitstone Recreation Ground Charity received notice from Pitstone Parish Charity that they intended to revoke the licence to manage this parcel of land. The Parish Charity were following advice from the Charity Commission that the entirety of the land they owned should be disposed to maximise the benefit to the Parish Charity. The parcel of leisure land (not required as part of the charities sale of land to Nicholas King Homes) was subsequently disposed of by Pitstone Parish Charity to Pitstone Parish Council, as Local Authority, in 2019 and therefore there are no ongoing commitments relating to this adjoining parcel of land by the Pitstone Recreation Ground Charity.

Pitstone Recreation Ground Charity has supported the aspirations of the Parish Council to upgrade the current provision to a Neighbourhood Equipped Area of Play (NEAP) from a Local Equipped Area of Play (LEAP) with an exciting new play space, skate park and multi-use games area to improve the asset for the community and attract more usage of the Recreation Ground. The play equipment on the newly acquired parcel of land owned by the parish council was installed by Huck Teck (commissioned by the Parish Council, as Local Authority) in 2020. The parish council also installed a concrete skate park on this neighbouring parcel of land in early 2022. The multi-use games area has been installed by Nicholas King Homes on an adjoining parcel of land, which also created additional

parking provision for the Recreation Ground. The addition of these 3 new facilities at the edge of the Recreation Ground Charity land will make the recreation ground more appealing and increase footfall.

The Pitstone Recreation Ground Charity obtained advice from the Charity Commission in 2019, to determine if the Charitable Status could be removed, as the same parcel of land is also a designated local Village Green assigned to the Parish Council for care. The Parish Council, as Local Authority, manage the day-to-day maintenance of the village green under their Open Space policy. The Charity Commission declined the application, citing that the charitable status provided additional protections over and above that of village green status. The Recreation Ground Charity will therefore continue as an entity for strategic decisions and receipt of income etc.
