Cllr Weber did not request a dispensation to vote, and indicated he would be abstaining from voting.

Cllr Saintey declared an interest as a neighbour of the application site for Albion Road. Cllr Saintey indicated he would be abstaining from voting, but for transparency, had no objection to the application.

### PC25/25 CORRESPONDENCE

The correspondence received was noted.

### PC26/25 APPLICATION CONSULTATIONS FOR CONSIDERATION

- Land off Cheddington Road; Erection of new dwelling and detached double garage; PL/25/4416/FA. Following input from the various members of the public present and the considerable discussion that ensued, it was **RESOLVED** (Cllr Weber abstaining) to advise BC that the parish council was opposed to this application on the following grounds: planning history, outside the settlement boundary, not meeting the criteria for an exception to building outside the settlement boundary, adverse impact on adjacent heritage and grade 2 listed buildings plus concerns it may set a precedent for other development along Cheddington Road or to the rear fields. It was further **RESOLVED** (Cllr Weber abstaining) to request that the application be called-in to committee should the officer be minded to approve, and to request our Buckinghamshire Councillors submit the same request.
- 4 Albion Road; Single storey porch extension and loft conversion into habitable accommodation incorporating roof extension, front and rear rooflights and rear dormer; PL/25/4473/FA. It was noted that the previous concerns had been resolved within this amended application. It was **RESOLVED** (Cllr Saintey abstaining) to advise BC that the parish council had no objections to this application.

The members of the public departed.
