## **Rough Sleeper Outreach Volunteer**

### **This one's for the early risers!**

Spend your morning helping us to locate rough sleepers across Buckinghamshire. These individuals will have been identified by or referred to the service, and it's up to us to start the process of helping them find suitable and stable accommodation.

### **Benefits**

- Flexible volunteering days
- Work as part of a team
- Accredited training
- Paid expenses
- Social events

### **We are a charity that promotes social justice.**

We seek to ensure that the people we work alongside, as well as our team of staff and volunteers, have a voice, are included, feel valued, have equitable access, and have equal opportunities.

At Connection Support, we want everyone to feel welcome.
